DAVIS THEATRE.

New Show Today-Three Big Keith Acts-Triangle Photo-features and Charlie Chaplin in His Latest Comedy. The Pawnshop.

presented by Haviland and Thorton, called At Trouville. This is a comedy sketch that is just one laught after another. They carry special scenery and come to the Davis direct from Keith's Theatre, New York, Josephine Lenhart, a dainty little miss, has a novel character change offering, that will please everyone; and Nin Tuck completes the many labels of the property of the religious aspect of the theme is more spiritual than mundane, thereby lending to the whole an air of inspiration rather than commonplace mechanics. It is indeed a rare and potent visualization that Thomas II. Ince has been able to achieve, and leads one to believe that there are sold world. There will be an entire new show at the Davis today and the bill for the last half of this week is one that talkative acrobatic act. This is an act that is different, and one that will be a big hit with the patrons of this a big hit with the patrons of this theatre. The Triangle feature is called "The Little Liar", featuring Mae Marsh and Robert Harron. This is a five-part Griffith production, and is quite an original story, replete with many dramtaic incidents and closes with n big smashing climax. To complete the show Charlie Chaplin, the million dellar comedian, will be seen in his latest and funniest comedy called "The Pawnshop" a two reel piced "The Pawnshop", a two reel pic-ture with two thousand laughs. "The Pawn Shop" has plenty of plot.

There are a lot of real thrills mingling in with the laughs, and Mr. Chaplin gets away with some actual heroics well mixed with fun.

As the title indicates, the setting of this newest picture finds itself bemeath a three ball sign, with Chaplin a nort of under-counter tender, bookkeeper, window washer and regaler of time to the fair Edna, daughter of the owner of the shop, whose kitchen, filled with dainties of her making,

filled with dainties of her making, opens into the store.

There was nothing to be censored before this Chaplin picture was pronounced fit to go to the public. For good oldtime slap stick, rollicking humor, and everything else that a "haplin comedy ought to be, "The Pawn Shop" goes one better.

Matinee at 2:15; all seats 10 cents; evening 6:45 and 8:45; 10, 15 and 20 rents.

AT THE AUDITORIUM.

Five New Acts on the Bill Today and the Rest of the Week.

An entire change of vaudeville pro gram will take place at the Auditor-ium today when a new bill of five high class acts will be presented. Heading the bill will be The Austins, a comedy slack-wire act, which promises to be a winner. Linton and Watson have a neat comedy singing and talking skit with special stage setting and will put over a let of west-defined. will put over a lot of up-to-date rapid will put over a lot of up-to-date rapid fire stuff which is bound to please. A distinct novelty will be presented by Charles Diamond, an accomplished harpist, who has an exceptional instrument on which he plays exceptionally well. Daily and Parks, two pretty girls will present a nifty offering on the bill, and Karlton and Clifford will introduce an act new to vaudeville and something very original. They are two young artists of exceptional ability and will paint on canvas several exquisite outdoor scenes. These boys have a style of working which makes their act not only pleasing but very interesting. The show will open with a cartoon comedy taken from the Krazy Katz cartoons now from the Krazy Katz cartoons now

dramatized for motion pictures, will be run. This seven reet masterpiece comes to Norwich direct from a run at the Park theatre. Boston, where it is playing this week. Jaffrey is a wonderful drama of love and adventure, full of sentiment, beauty and vigor, with a happy ending and follows the book precisely.

Loomer Opera House, Willimantio Local playgoers will have opportunity of passing judgment on Thos. H. Ince's incomparable screen success, "Civilization," at the Loomer Opera House, Willimantic, today, when the great producer will present his masternices

record breaking engagement last June. New Yorkers were staggered by the magnitude of the spectacre and the inimitable handling of the great theme

New Home Treatment

by producer Ince. He was immediate ly acclaimed the peer of native screen producers and credited with having achieved the impossible. Never be-fore in the history of the art has any-one been successful in placing on the screen an animated representation of the Christus, Still, in "Civilization" it is done and done with such infinite art that the atmosphere of the thea-tre is entirely obliterated and the sanctity of the presentment so pre-served that one is inspired to pro-found respect.

A GOOD OLD WORLD.

A good old world—be glad you're here,
To share its smile and share its tear,
To dance and sing and have your day,
To greet some brother on the way,
To lend your light that those who

A good old world—look up and see
The glory of the grass and tree,
The bird and flower, the brook and
stream,
The dappied vales that lie in dream,
The hills, the stars, the fertile slope,
And o'er bright summits catch the
gleam

of life's immortal love and hope, A good old world—be brave and bright
To face your task and fight your
Right.
To sing your song and lift your eyes
Beyond the shadows to the skles.
And do your best and keep the trust
That more than all we yot of lies
Beyond this dalliance and this dust.

A good old world—play well your part, Get in the game and tune your heart To manly will and forthright deed, And so through life with love for creed Be sure the heights you seek shall glow.

Before you yet, though feet may bleed. And many a bubble burst and blow.—Folger McKinsey, in the Baltimore Sun.

"Is it well with Henri and Jean and Paul?"
And the mother bowed as beneath a rod;
Then she answered: "Aye, it is well with them all—they are all with God!"

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of catarrhal deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All druggists, 75c.
